students and researchers.

We would like to invite  
you to a get-together fika  
outdoors, while the  
weather is still nice  
(or...tolerable)! We hope  
this will be a way for us all  
to get to know each other  
better and it could also be  
an opportunity for CEMUS  
courses to find guest  
lecturers.

We will provide coffee/tea  
and a cookie as well as  
some (social distanced)  
facilitated activities.

In case of rain, we may  
postpone the fika to  
Friday, Sep. 11. Slightly  
cold weather we however  
think we can handle,  
please check the weather

student-led education centre,  
which offers undergraduate

completely informal and  
voluntary to  
attend. Following the  
recommendations by the  
Public Health Agency, we'll  
be social distancing

at home if you feel sick.

Welcome and looking  
forward to seeing you
